

## FULL COLOR

With 1600 colors, customize variable light modes.

## FUNCTION SETTING

Easily arrange your plans and times.

## INSTALLATION

Mount directly to a junction box, or retrofit into a wide range of existing cans

**Application:**

Make your home into a smart home with the TOPSTAR smart disk downlight. Fitting most 4 and 5-6 inch recessed can housings or junction box. Use your favorite smart device to easily turn lights on/off, dim, set groups and schedules from anywhere. Choose energizing daylight or wind down with relaxing soft white light. Get creative with color, it's all up to you. Control lighting with simple voice commands or an intuitive mobile app. Setup is simple: the disk downlights come with quick-connect wiring and a medium base adapter. Install and connect directly to your 2.4GHz home Wi-Fi in minutes. Enhance high-CRI LED light makes colors vibrant and skin tones look more natural, all while saving energy and lasting for years. It has never been easier to customize your home's lighting to suit your lifestyle.

**Feature & Benefits:**

1. Function optional: DIM, TW, RGBCW.
2. Support Matter over Wi-Fi or Matter over Thread protocol.
3. With the ability to support a stunning array of 1600 colors and an adjustable color temperature ranging from 2700K to 6500K.
