

RICH COLOR

Like the rainbow, there are 7 colors to choose.

DIMMABLE

TRIAC Dimming.

ATMOSPHERIC FEELING

Top choice for parties and decorative places.

Introduce :

Enjoy all the benefits of advanced LED energy-saving technology with TOPSTAR Color LED Light Bulbs. Designed to showcase a variety of attractive color LED lamps, these bulbs glow bright color through a color appearance and LED. Add a beautiful accent light that livens up parties, homes, bars, and restaurants. These dimmable bulbs average life of 15,000 hours, which makes them energy efficient and environmentally friendly without compromising performance or fun. Celebrate throughout the day and night and experience considerable energy savings in comparison to traditional incandescent bulbs.

Features & Benefits :

- 7 color options: red, orange, yellow, green, blue, pink, purple.
- The full color design makes the colors brighter.
- Suitable for indoor and covered outdoor use.
- These LED lights do not contain mercury and won't release any hazardous gases into the air.
- Energy efficient LED technology uses considerably less power and last longer compared to equivalent incandescent lights.

Application place :

Perfect for lawn wedding venues, outdoor patios, bars, bistro, restaurants, front porches, gazebos, pergolas and any decorative place.
