

LED Barn Light

LED Outdoor Flood Light

0-10V Dimming

High quality aluminium shell

Wet location

Application:

Built-in Photocell - Dusk to dawn photocell eye at the top of the exterior flood light fixture automatically turns light on and off, offering bright overnight lighting in a very convenient and efficient way.

Better Weatherproof Performance for wet location, suitable for outdoor use. This LED flood light is more structurally waterproof with drainage feature, ideal for lighting up church steeple, flag pole, etc.

Compact Design & Well-Built - Robust metal housing delivers a reliable, quality look.

Feature

- 1.ENERGY EFFICIENT - High luminous efficiency and low power consumption
- 2.BUILT TO LAST - Heavy-duty aluminum alloy construction, anti-aging PC lens, vibration resistant and wet rated, withstands harsh weather
- 3.The cooling air duct and vent design, further increase the cooling effect

Application place:

The product is suitable for yards, gardens, lawns, garages, entrance, roadway, building façades, wall washing and so on.

Technical Date:

	LED Outdoor Flood Light	LED Barn Light
Rated Voltage	120-277V	
Rated Power	100W	50W
Power Factor	0.7	
Declared Luminous Flux	13200lm	6600m
Color Temperature	5000K	
Average Ra	70	
Beam Angle	90°	
Average Life	50000H	
Working Temperature	-20℃(-4℉)~40℃(+104℉)	
Material	Aluminium + Glass	Aluminium + PC
Dimmable	0-10V	
Length	11.96Inch(349mm)	11.2Inch(285mm)
Width	7.67Inch(195mm)	7.66Inch(195mm)
Height	3.35Inch(85mm)	3.9Inch(99mm)
Environment	Wet Location	
Certificate	ETL,FCC,DLC
