

**Saco T5 Batten G2****CE CB****Introduce:**

This LED T5 batten features a compact and slim design for space-saving lighting applications. Energy saving LED linear batten to replace conventional T5 Batten. The T5 batten delivers soft and uniform light with a wide beam angle. Offers various lengths for flexible solutions: 1Ft , 2Ft , 3Ft and 4Ft. Integrated connector makes allows easy in line connection for continuous

runs. Translucent end caps reduce dark zones. It is an ideal lighting option for Office, Display Shelves, Light Troughs, Shops and Boutiques, Wall Lighting and so on.

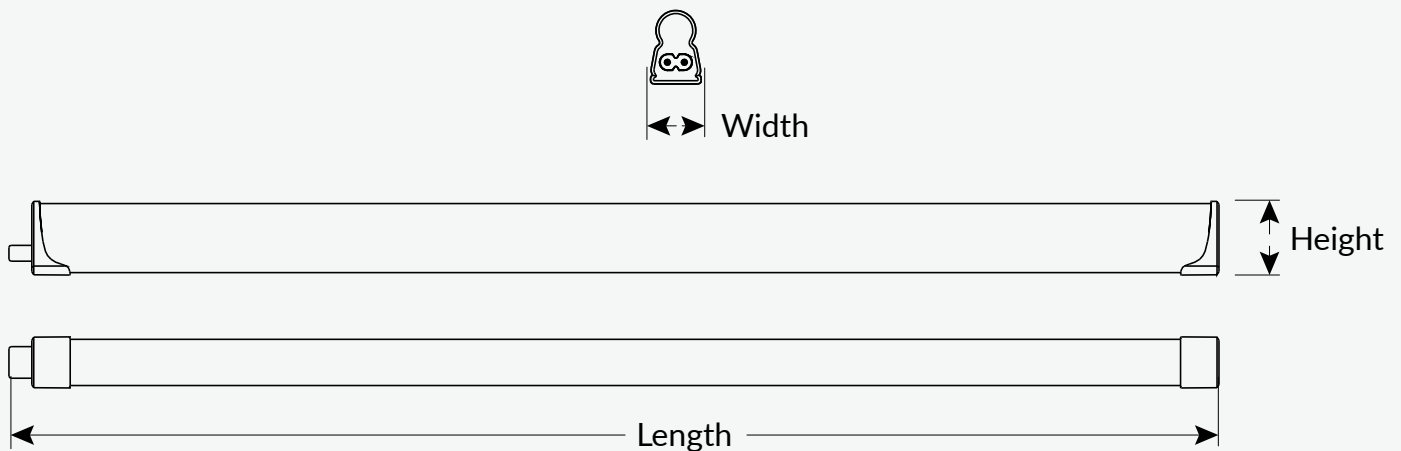

Features & Benefits:

- Easy installation by mounting brackets
- High quality robust PC extrusion tube
- Uniform light distribution, High efficiency
- Low maintenance with 25,000 hours LED life expectancy
- LED technology provides energy efficient solution and reduced maintenance cost
- Standard or Switch (lighting on/off) design available

Application place:

Office/Display Shelves/Light Troughs/Shops and Boutiques/Wall Lighting

Available Sizes:

Type	Height	Width	Length
Saco T5 Batten G2 1Ft	14.7 Inch(37.3mm)	1.0 Inch(25.9mm)	12.3 Inch(311.5mm)
Saco T5 Batten G2 2Ft	14.7 Inch(37.3mm)	1.0 Inch(25.9mm)	24.1 Inch(611.5mm)
Saco T5 Batten G2 3Ft	14.7 Inch(37.3mm)	1.0 Inch(25.9mm)	35.9 Inch(911.5mm)
Saco T5 Batten G2 4Ft	14.7 Inch(37.3mm)	1.0 Inch(25.9mm)	47.0 Inch(1193.5mm)

Technical Data:

Lamp Type	Saco T5 Batten G2 1Ft	Saco T5 Batten G2 1Ft	Saco T5 Batten G2 1Ft	Saco T5 Batten G2 1Ft
Rated Voltage	220-240V			
Rated Power	5W	8W	12W	16W
Displacement Factor--DF	DF0.5		DF0.7	
Declared Luminous Flux	500lm	800lm	1200lm	1600lm
Color Temperature	3000K/4000K/6500K			
Average Ra	Ra80			
Beam Angle	145°			
Average Life	25000H			
Working Temperature	-10°(14°F)~40°C(104°F)			
Material	PC Polycarbonate			
Dimmable	NO			
Environment	IP20			
Certificate	CE/CB/ERP
