Available Sizes :

Type	Diameter	Height
A65	66mm	144mm

Technical Data :

Lamp Type	A65
Rated Voltage	220-240V
Rated Power	7.5W
Incandescent Equivalent	60W
Displacement Factor--DF	DF0.5
Declared Luminous Flux	806lm
Battery style Luminous Flux	90lm
Color Temperature	3000K、 6500K
Average Ra	Ra80
Beam Angle	180°
Battery	18650 1500mAh ϕ 18*H65mm
Average Life	15000H
Working Temperature	-10~40°C
Material	Plastics and Aluminum
Dimmable	NO
Base	E27
Environment	IP20
Certificate	CE/CB/ERP
